Dear Josef and Korina - I wanted to write and thank you for the delicious food you provided and presented at my birthday party yesterday. The quality of the food was simply THE best - I could not have asked for more in any way as the food was absolutely delicious and plentiful.

I would like to make mention of your assistant Jess and thank her also for her pleasant and helpful service.

In closing I would sincerely like to thank you again for your part in making my party the celebration my family and I had hoped it would be. Your professionalism and high standard was very much appreciated and I would have no hesitation in recommending Chef on Call.

Kind regards

Robin Wright

We would like to thank you for your expertise and wonderful meals you have prepared for us over the last week and a half.

We had a lot of feedback both yesterday and Thursday night of how yummy the meals were.

Thanks again, and enjoy your Christmas and New Year.

G'day

WOW! We would like to thank you for absolute divine food. There's not one person I spoke to after the wedding that didn't complement on the food. Thank you so much!

There is still some settlement to be done so I'll be glad if you let me know when you are around or I'll come around, whatever suits you.

Thanks again

Style, Creativity, Taste!

Thank you so much for the wonderful food and service that we got from you on Saturday.

You cooked just about the best lasagne I have ever had and the chocolate cake and baby pavs were right up there as well .

Everyone that was there on the night would not hesitate to call you if they needed a caterer.

I have just transferred the payment for you bill.

Thanks again and hope to see you and your yummy food again soon.

Good afternoon Josef.

It is said that the success of an event is determined by the quality of the food served to the guests.

The Official opening of the new Townsville Marine Centre on 23 September was an outstanding success!

There was a great deal of time invested in preparing for the event and the triumph of opening the largest under cover display of boats in Queensland was reinforced by the continuous praise for the quality of food served and the polite and friendly staff.

The very high standards that your organisation provides strengthened our position in the eyes of those people who attended as a professional and well organised company.

We chose well!

Thank you Josef, you and your team helped make our event one that the attendees will always remember.

Kind regards,

Dear Josef and Korina

Just a little note to say a BIG thank you to you both for the scrumptious catering at our wedding, and all your help in the lead up. All our guests commented on the amazing food & fabulous service - we can't thank you enough!

Much thanks Anna + Rodney Dowd

Hi Korina & Josef,

Just wanted to send you an email to let you know how fantastic all the food was on Saturday night. It surpassed all our expectations. The professionalism that was displayed by your company was second to none.

The food was so good that after the boys were finished hitting the town they came back and finished off everything that was left behind.

We would love to book the 29th October for my mother in laws birthday if it is still available.

Once again thank you for assisting us in putting on a great party.

Regards

Lisa Miles

Hi

Just a quick email to say a big thank you to you for the fantastic food last night. I would also like to say a special thank you to Jess who was brilliant. It was so nice not to have to worry about my guest being looked after and many of them commented on how nice she is and how helpful. The clearing up process this morning was much easier because of all the hard work she put in last night.

Once again many thanks – and I will be taking your cards in to work with me.

Kindest regards

Josef & Korina,

Thank you.

The whole weekend was brilliant.

Of course, Saturday night was the most important event of the three for the weekend, and it was made so much better with the quality of your food.

Many people complimented me on the food. Well done.

Josef and Katie and all the staff were very professional.

Cheers. Tav.
